

Press Release for Westlake District Preview Sprit Meet

On Friday, September 29, the Austin High School Maroons Swimming & Diving teams took part in the Westlake District Preview Sprint Meet with all the teams in their district, as well as a few other nearby teams that were invited to participate. The Maroon men finished in 6th place overall, while the Maroon ladies finished in 4th place. In combined team scores, the Maroons finished in 5th place.

“This meet is always a fun start to the season,” said Austin HS head coach Ryan Goodwyn. “Most high school meets don’t have the chance to do the shorter 50-yard distances of strokes, the 100 individual medley, or mixed-gender relays. This is only the second year they’ve held this meet, and I’ve started to really appreciate this meet as a chance to gather valuable data that will help us with choosing relays and setting meet lineups in the future. It’s a great chance for some of our kids to show me what they can do in these sprint distances that will be part of our relays the rest of the season.”

Goodwyn also said how pleased he was by the younger swimmers on the team who are making an impact. “We’ve had some very talented and hard-working freshmen come in this year,” he said, “as well as some sophomores who didn’t swim as freshman but decided to join the team this year. I hope that means they heard good things about what’s going on here from their friends that made them want to join us. On the girls’ side especially, we’ve seen some of these newer athletes step up and make immediate impacts during our first two meets. They make me excited for not only this season, but for the next few years to come.”

The Maroons have another quad meet on October 3 in Dripping Springs, followed by a two-week break from competition before the Westlake Invitational on October 17.

The meet awarded points to all finishers in the top 16. The following is a list of point scorers for Austin High with their scoring events and places.
